Our values

Product quality

We guarantee the high quality and freshness of our products

Safety

We ensure food safety by maintaining strict storage and hygiene standards

Sustainability and Eco-friendliness

We respect the environment and use sustainable practices

Transparency and Honesty

We conduct our business and serve our clients with integrity and transparency

Customer focus

We focus on customer needs and expectations by providing a variety of products and excellent service

About Us

Our specialists are our main asset and strength. We are proud of our close and friendly team of professionals in their field at UnityFood LLC. We are convinced that the quality of our products and services is determined by the quality of our people

At UnityFood LLC, we embrace diversity and consciously strive to create an environment where every member of our team feels valued and important. We believe that our structure is not just a description of the organization, it is our family, where everyone plays a role in achieving our common goals and successes

Logistics

UnityFood LLC has extensive and modern warehouse facilities that are ready to receive and store any type of food products, maintaining the highest standards of quality and safety. Our large and modern warehouses are a source of pride for our company. The convenient location provides direct access to central highways both within the country and abroad, ensuring easy and fast supply logistics. With our versatile infrastructure, we are capable of receiving and processing a variety of products, ensuring low temperature conditions to maintain the freshness and quality of sensitive products

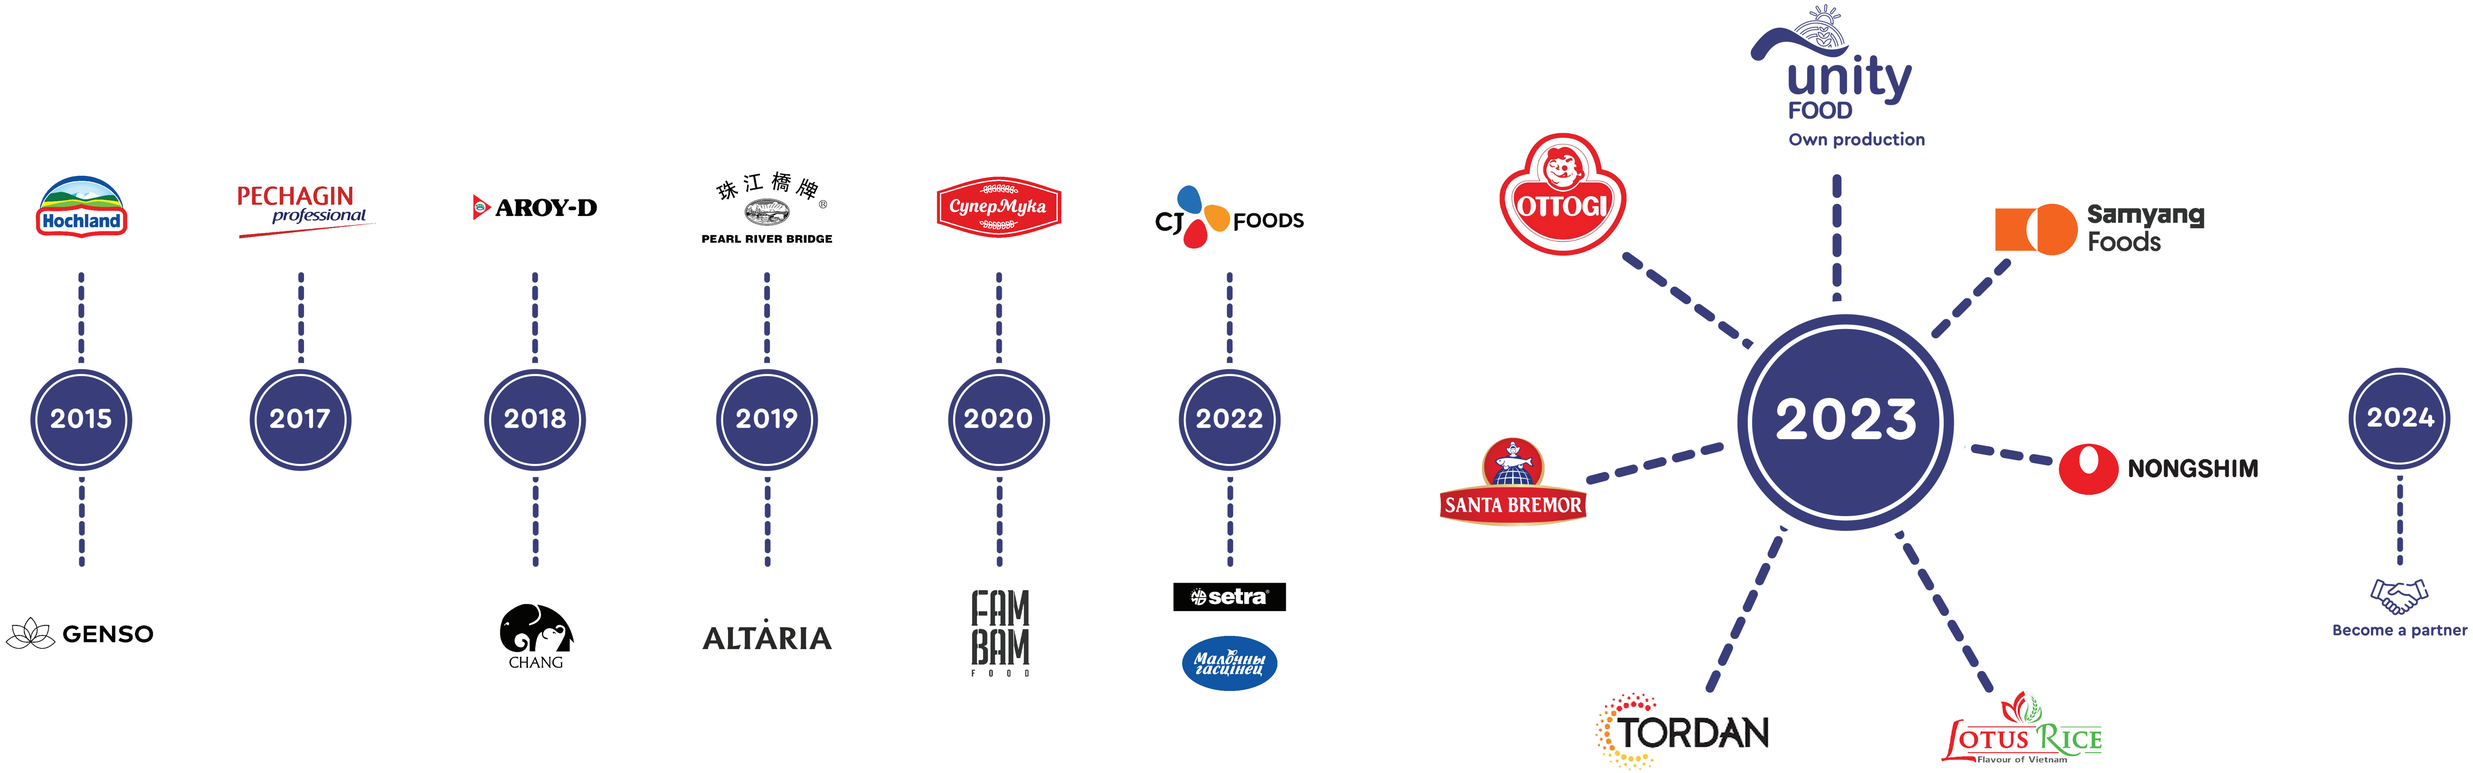
Car fleet

Our transport resources are the pride of UnityFood LLC, providing a high level of service and accuracy in product delivery. Including both large and small refrigerated trucks, our diverse fleet provides the necessary temperature conditions to transport sensitive products. The professionalism of our drivers guarantees the safety of cargo, and the implementation of advanced routing and tracking systems ensures optimal routes and on-time deliveries, increasing transparency for customers

Our portfolio

Thanks to our nine successful years on the market, we have been able to establish strong partnerships with the world's leading food manufacturers



UnityFood LLC is highly regarded for its reliability, competitive prices and prompt delivery.
We pride ourselves on absolute transparency in all our partnerships and provide full support through our one-stop Call Center

Partners

Our approach is we don't look for quick wins, we build long-term relationships." This means that we invest in you and your needs, always ready to help and adapt to changing circumstances. We see our partnership as a mutually beneficial cooperation that should bear fruit for many years

Unityfood online store

We created it with one main goal – to make the ordering process convenient and easy, allowing you to shop without leaving your home or workplace

Our store is not just a virtual display window, it is also a specialized catalog of goods for the HoReCa sector with special personal access for partners. This tool makes it possible to easily create orders, which are nstantly entered into our system for quick processing by our managers. This approach not only optimizes processes, but also reduces time costs, making cooperation with us fast, convenient and effective

Welcome to a store where every purchase is a unique experience
